

AGENDA
CITY-COUNTY PLANNING BOARD
VIRTUAL WORK SESSION
July 22, 2021
4:30 P.M.

I. CITY-COUNTY UTILITIES SEWER SYSTEM DISCUSSION

At recent Planning Board meetings, the Board raised questions related to the current boundaries and capacity of the City-County municipal sewer system. Courtney Driver, City-County Utilities Director, will present relevant information and answer Board member questions. (No Board Action Required)

II. CITY OF WINSTON-SALEM STORMWATER DISCUSSION

At recent Planning Board meetings, the Board raised questions related to current City of Winston-Salem stormwater requirements. Keith Huff, City Stormwater Director, will give a presentation and answer Board member questions. (No Board Action Required)

III. SIGN ORDINANCE TEXT AMENDMENT (UDO-CC14)

Steve Smotherman will present a draft text amendment modifying Winston-Salem's on-premises sign regulations (UDO-CC14) [attached]. This text amendment was requested by the Winston-Salem City Council and addresses existing amortization provisions; the rate of change for electronic message boards; and standards for electronic message board brightness. This text amendment is a 2021-22 Planning Board work program item. A Planning Board public hearing for this item has been scheduled for August 12th. (No Board Action Required)

IV. DEBRIEFING PUBLIC HEARING MEETING OF JULY 8th

V. STAFF REPORT

VI. FOR THE GOOD OF THE ORDER
