This virtual meeting is being recorded and is currently available for public viewing and will be available on the City of Winston-Salem's YouTube for future viewing.

Virtual Meeting Etiquette

Please mute your microphone when you're not talking. To minimize distractions, muting notifications for your other apps might be helpful too.

Avoid visual distractions and disable your camera if you need to get up during the meeting.

When screen sharing, be careful to share only the intended content – and be sure not to expose potentially sensitive information.

Use the chat function if you need to share content or comments but do not necessarily need to speak.

Be on time.
