B. Project Overview

Completed by kathleen.wiener@uwforyth.org on 11/17/2021 1:36 PM

Case Id: 14283

Name: United Way FRRC City ESG - 2022/23

Address: *No Address Assigned

B. Project Overview

Please provide the following information.

APPROACH (7 POINTS)

B.1. Provide a concise description of the proposed project/program, indicating specifically how City funds will be used. Briefly, what are the goals/objectives of the project/program?

The Forsyth Rapid Re-Housing Collaborative (FRRC) currently is a partnership between United Way of Forsyth County (UWFC), Goodwill of NWNC (GW), Experiment in Self Reliance (ESR), Family Services, Inc. (FSI), Bethesda Center for the Homeless (BCH) and Positive Wellness Alliance (PWA). The goal of the program is to provide rapid re-housing services to the greatest diversity of clients across our Continuum of Care (CoC). By matching case management services from a diverse group of organizations serving people who are homeless with a centralized fund for temporary financial assistance, supported in part by these City and State ESG funds, the FRRC can serve any homeless household regardless of the household's demographic makeup or door of entry into homeless services.

The rapid re-housing model used in this program emphasizes Housing First. Case Managers assess the household's barriers to housing and develop a plan to secure permanent housing with the household. Once the household is in permanent housing, the case manager assists the client in developing a plan to maintain the housing for the long term.

The objective of this program is to assist homeless households to reduce the amount of time they are homeless and to provide supportive services focused on helping them stabilize their permanent housing.

B.2. How will a participant access the proposed project/program, use the services, and derive a beneficial outcome from participation?

Program participants will access services after they have been referred by the Community Intake Center (CIC). Once the CIC has referred a household to FRRC the client is notified of this referral by the CIC Director and provided instructions on how to connect with their case manager.

The FRRC expects case managers assigned through the CIC will contact the head of household as soon as possible to set up an initial appointment to finalize the determination of eligibility.

Typically, at the first or second meeting with the case manager, the case manager and client will develop a case plan with specific goals focused on the objective of obtaining and subsequently maintaining permanent housing. Clients will be assisted in identifying a housing unit that will meet HQS inspection standards. The United Way Landlord Engagement Specialist works with community landlords/property managers and maintains a list of currently available units for which FRRC clients may qualify.

The FRRC has four staff members who are certified housing inspectors under the HQS standards from HUD; one of these inspectors will inspect the unit before leases are signed; in this way, we hope to maintain a minimum housing quality standard for those we serve.

Once the household has moved in, the case manager will work with the client to achieve the goals they established to help stabilize their household in permanent housing. These goals may center on health outcomes, income outcomes, or educational outcomes as determined by the case manager and client as being important for the client to remain housed.

Pursuant to the CoC APR from NCHMIS 70% of program participants exit the program into permanent housing. We are investigating this because in other years the exit-to-permanent-housing rate has been between 85-90%. Due to the way programs are structured inside the database, the integrity of the outcome data may be impacted when clients are transferred from one program page to another.

B.3. Describe the unmet need that the proposed project/program seeks to address. Include data supporting the need.

The FRRC provides short- to medium-term rental assistance and case management to people experiencing homelessness who cannot self-resolve without support. Pre-pandemic, on an annual basis, approximately 2000 people experience literal homelessness in Forsyth County; of these only 200-250 households are matched to a supportive housing program, including the FRRC. Because of the significant rise in evictions since October 2021 we are anticipating that at least for the next 1-3 years this number will increase as families lose their homes through evictions, rents increase, and families support networks are unable to absorb additional people into their homes.

The CIC staff are working with community partners and the FRRC to identify mainstream resources and other strategies to help people who are unlikely to match to either permanent supportive housing or rapid re-housing move into permanent housing. Our system data suggests about half of people entering shelter will self-resolve and an estimated 250 people will match to supportive housing, leaving about 600 people who will need some support finding permanent housing opportunities. UWFC is working with all of the FRRC partners and other community stakeholders to expand opportunities for short- to medium-term housing supports to help reduce the amount of time people spend homeless.

** Note about unmet need and request for funds - we have requested \$110,000 for Temporary Financial Assistance from the City and State ESG pools. These funds are critical for covering utilities, arrears, deposits, and moving costs for people as they move into permanent housing. We will budget and run the program based on the funds available for the program; every additional dollar the program receives helps us expand the amount of temporary financial assistance the program can provide. The more funds we have, the more people we can assist. Particularly during the pandemic, we are working hard to move as many people into permanent housing as quickly as we can.

COLLABORATION (6 POINTS)

B.4. Describe any specific collaborative relationships with other organizations (public or private) and how they will impact the project/program. How will collaboration contribute to the planning, implementation, operation, oversight, and performance measurement of the proposed project/program?

The Forsyth Rapid Re-Housing Collaborative was initially designed as a collaborative relationship between UWFC, Goodwill NWNC, The Bethesda Center for the Homeless, The Salvation Army, Experiment in Self Reliance, and Family Services. Over time the partnership has grown and changed pursuant to the demand and funding environments. The partnership between these agencies helps to maximize each organization's strengths and minimize the challenges of spending from a divided subsidy pool. UWFC provides housing navigation, including identifying new landlords and available units and inspections of the units as well as manages a common fund of Temporary Financial Assistance. Other partners provide case management services to participants.

Team members meet twice a month to review cases, program performance and program operations; they routinely

have discussions to identify and address barriers to help support program participants in securing and remaining housed. The FRRC is often reviewed during these meetings as part of our commitment to continuous quality improvement for the program.

C. Strategy and Performance

Case Id: 14283

Name: United Way FRRRC City ESG - 2022/23

Address: *No Address Assigned

Completed by kathleen.wiener@uwforsyth.org on 11/17/2021 1:36 PM

C. Strategy and Performance

Please provide the following information.

STRATEGY (5 POINTS)

C.1. The City of Winston-Salem's strategic priorities, adopted most recently in the [2017-2021 Strategic Plan \(2019 Update\)](#) and under review for adoption by City Council for FY 2022 - FY 2025 Strategic Plan, are used as guiding principles to establish community priorities based on the vision, mission, and values set forward by the Mayor and City Council.

Indicate which of the City's strategic focus areas your program aligns with best (select one):

Safe and Secure Community

C.2. Select the service area(s) that your project/program relates to:

- Housing/Homelessness
- Economic Development
- Construction Rehabilitation
- Poverty Reduction
- Arts and Culture
- Youth
- Public Safety
- Transportation
- Other

PERFORMANCE (15 POINTS)

C.3. Describe the system to be used to track participant and program data. List any key reports and their frequency that will be used to capture project/program performance.

We use the North Carolina HMIS database to track data and information on the success of our programs across the CoC. In addition, we work with staff from agencies across the CoC to individually track key data which will help them evaluate their effectiveness in helping people get housed.

We use a number of reports to monitor the progress of our work including:

Annual Reports:

LSA- Required by HUD for the CoC to submit annually; report is created from data in the NC HMIS system and is being

revised to be more detailed and population-specific

APR - Required by HUD for all CoC-funded programs; report is created from data in the NC HMIS system

PIT Count - UWFC organizes a street count that is paired with a one-night census from all of the emergency and transitional shelters in Forsyth County to create a snapshot of homelessness in the community. The January Count, which is required by HUD, is the official count data that we use.

Monthly Reports:

Data Quality - On a monthly basis all staff connected to rapid re-housing or coordinated assessment services review their data quality report to ensure the data is complete and correct in the HMIS system

By Name List (BNL) - The Community Intake Center (CIC) uses a BNL of people experiencing chronic or otherwise highly vulnerable homelessness. This list is reviewed monthly to assess the number of chronically homeless people in our community, the number of homeless veterans, and housing placements. It is also used on a daily basis by the CIC.

Quarterly Reports:

Quarterly Performance Report for State ESG funded programs

Other Reports:

Discharge Destination

Length of State & Recidivism Demographics Report

C.4. Explain the steps that will be taken if the stated program goals provided in C.3. are not achieved.

The Winston-Salem/Forsyth County CoC uses the NC HMIS database to track information related to people who receive services related to being homeless. We will primarily use reports from this database to determine progress on system performance goals such as the number of chronically homeless people, the average length of stay, the number of returns to homelessness, and other key metrics.

Reports are available at the program-, agency-, and system-level performance. The Local System Administrator for our CoC supports all partners in the WSFC CoC in both collecting and analyzing their performance data.

The goals of the WSFC CoC, such as ending chronic homelessness and reducing our average length of stay, are measurable and attainable. Members of the CoC recognize these are long-term and challenging goals. We measure success by looking for system improvements. We review metrics on system performance on a regular basis and routinely have discussions to identify and address challenges to meeting our goals.

Transparency is important to our progress as a system of service providers. As a part of our evaluation of our progress, we review key metrics annually with our governing board and with our Operating Cabinet. We also post information about our progress on the CoC's website, www.forsythendhomelessness.org.

frrc 20 to 21 caper.pdf

C.5. Use the chart below to show how your agency measures program effectiveness. List goals, activities, and performance measures you will use to evaluate services, facilities, and programs that will be funded by the City. Performance measures can be quantitative and/or narrative.

Applicants will be reimbursed funds based upon timely submissions of eligible invoices. These invoices should describe services rendered and should align with the goals and objectives cited here. Where outcomes do not align with goals, please be prepared to provide a written summary of shortcomings.

Stated Program Goals	Program Activities in Support of Goals	FY 20-21 Previous Year Results	FY 21-22 Current Year Projected Results	FY 22-23 Next Year Anticipated Results
Work with families to obtain permanent housing	Housing navigation, housing counseling, budgeting	180 households received RRH assistance	Work with 220 households of which 85% will move into permanent housing.	Work with 300 families of which 85% will move into permanent housing.
Families will be provided temporary financial assistance, including rent, arrears, utility deposits, rent deposits.	UWFC will provide temporary financial assistance for rent, arrears, utility deposits, rent deposits.	153 households will receive temporary financial assistance	200 households will receive TFA.	250 households will receive TFA.
Work with families in partnership with case management agencies to support households stabilizing in permanent housing.	Housing Navigation, Housing Counseling, budgeting, life skills, case management, income maintenance referrals, employment search support, TFA	Worked with 180 households of which 85% exited to permanent housing.	Work with 200 households with 85% exiting to permanent housing.	Work with 250 households with 85% exiting to permanent housing.

	Total Unduplicated Number Served	Total Number Served
FY 20-21 Previous Year Results	246	246
FY 21-22 Current Year Projected Results	300	300
FY 22-23 Next Year Anticipated Results	350	350

C.6. FY 20-21 Program Accomplishments

The last 18 months have been a challenging one for the FRRC program. The pandemic waivers has provided a great opportunity to provide services to families for longer to ensure they had the support they needed to remain housed during the pandemic, however with the eviction moratorium and the general lack of movement in the low and

moderately prices rental market, housing was challenging to come by.

However, the FRRRC program was able to partner with the medically fragile shelter and support nearly all of the medically vulnerable people from this shelter transition from the specialized non-congregate shelter to permanent housing.

During the beginning of the pandemic all of the case managers had to learn how to adapt their high intensity and moderate intensity case management to remote or socially distant care. Many case managers were prohibited by agency policy from visiting clients in their homes. Despite these restrictions 85% of households exited to permanent housing.

SEE IF JEAN HAS ANYTHING TO ADD

C.7. FY 22-23 Key Objectives

Improve exits to permanent housing and decrease the length of time from program entry to housing move-in date.

D. Organizational Capacity

Completed by kathleen.wiener@uwforysyth.org on 11/17/2021 1:37 PM

Case Id: 14283

Name: United Way FRRRC City ESG - 2022/23

Address: *No Address Assigned

D. Organizational Capacity

Please provide the following information.

MISSION (5 POINTS)

D.1. Provide an overview of the organization. Include the organization's mission statement and the major services, programs, and activities provided. How does the proposed project/program help advance the mission of your organization?

United Way of Forsyth County (UWFC) brings the community and its resources together to solve problems that no one organization can address alone.

The major projects of UWFC are:

- Community investments in the areas of Economic Mobility and Socioeconomic Wellbeing
- Housing Matters—coordination and backbone support to the WSFC CoC
- The Forsyth Promise—cradle to career education network
- Place Matters—strategic investment in 13 neighborhoods to help develop thriving neighborhoods
- Partnership for Prosperity—community-based initiative to address poverty in Forsyth County

UWFC's community investments support programs across Forsyth County that serve citizens of our community with a wide range of human services. Investments in each area are driven by a set of community goals and outcomes which are developed by Impact Councils staffed by experts in each area from across the community and members of our partner agencies.

While there are many agencies and programs in our community addressing the needs of people who are homeless, UWFC's support of the work of the Housing Matters Initiative demonstrates the power of organizing and coordinating services to leverage the power of many organizations working together to solve seemingly unsolvable problems, such as homelessness. Since UWFC began work with the WSFC CoC, chronic homelessness has decreased over 90%.

FUNCTION (5 POINTS)

D.2. How long has your organization been in operation?

98 years

D.3. How does your organization benefit and serve the City of Winston-Salem and its citizens?

For 98 years, United Way of Forsyth County (UWFC) and its precursor organization the United Fund have served the Forsyth County community by leveraging resources to meet the human service needs of residents of Forsyth County.

UWFC benefits and serves the residents of Forsyth County in multiple ways. Through our investments and the leveraging of those investments through key partnerships, UWFC helps to improve the lives of residents in the areas of Economic Mobility and Socioeconomic Wellbeing. In addition, UWFC is a leader in our community in addressing human service needs with data-informed decision making, which allows us to focus every dollar of our investments on

its highest and best use for achieving real, lasting change in our community.

The programs we are requesting funds for from the City specifically address the needs of individuals and families in our community who experience homelessness by providing backbone support and leadership to the Winston-Salem/Forsyth County Continuum of Care (WSFC CoC) and supporting the work of our CoC to support Forsyth County's efforts to be a housing first community, ending chronic homelessness, and working to develop a system of care so any resident of our community who becomes homeless can be re-housed in under 30 days.

The Housing First System places the emphasis of ending homelessness on moving people as quickly as possible into permanent housing and then wrapping key support services around them. Since UWFC began supporting the WSFC CoC implementation of the Ten Year Plan to End Chronic Homelessness our community has seen over a 90% decrease in chronic homelessness and achieved the milestone of "ending veteran homelessness," as recognized by HUD and the US Inter-agency Council on Homelessness.

STRUCTURE (5 POINTS)

D.4. In the chart below, list key personnel and executive staff involved in the proposed project/program.

Position Title	Activities/Inputs	Total Work Hours Per Week	% of hours proposed to be funded
Director of Rapid Re-housing	Coordinate case management meetings, provide on going training, coordination of services across the programs, TFA management oversight	40	50.00 %
Director of Housing Services	Supports management of TFA, supports and directs housing inspections and navigation including landlord support and engagement.	40	50.00 %
Housing Navigator	Provides landlord recruitment and engagement. Manages a list of open units that are affordable to typical homeless households and distributes to case managers, participates in weekly housing conferences open to people experiencing homelessness who needs support identifying available housing.	40	50.00 %
Housing Inspector	Provides pre-lease signing HQS inspections for housing quality.	20	50.00 %
Senior Director Housing Strategies	implementation, oversight and management of all homeless services.	40	10.00 %
Grants Manager	Provides accounting services, manages all TFA expenditures including fund disbursement.	40	10.00 %

D.5. List all executive staff and their compensation (other than per diem).

Executive Staff Name	Title/Role	Compensation	% of Hours Proposed to be Funded
Cynthia S. Gordineer	President and CEO	\$211,951.44	0.00 %
Brittany Pruitt Fletcher	Chief of Staff	\$102,100.00	0.00 %
William Stone, Jr.	Chief of Finance	\$152,000.00	0.00 %
Mark Uren	Vice President Resource Development	\$135,915.00	0.00 %
Deborah Wilson	Chief Impact Officer	\$118,989.15	0.00 %

D.6. Attach an organizational chart

Organizational Chart *Required

Organizational Flow Chart Update Oct 2021.docx

D.7. Please complete the Diversity of Employment and the Employment Profile below. See the [Request for Proposals \(RFP\)](#) for definitions of position types used in the Employment Profile.

Describe the hiring process and how it is structured to provide the most diverse candidate pool. Best practices for accessing a diverse hiring process and candidate pool include:

UWFC advertises open positions on our own website, the WS Journal, The Chronicle, NC Center for Nonprofits and Indeed, which reach a broad audience of job seekers. Applicants are screened by HR staff to assess minimum qualifications are met. All applications from candidates meeting minimum qualifications are reviewed by the hiring director, and top candidates are selected for interviews. Interview teams are selected to represent the program or department hiring. Once a top candidate(s) is selected the HR staff review references and the director will make a formal offer.

Please enter the total number of Full-Time Positions and Employees you have in the table below, as well as the employee's appropriate race/ethnicity and gender identity.

UW 2021 Board Roster.doc

2021 COEH Board Members.docx

D.9. Number of full Board meetings held during the last twelve months

6

D.10. Number of Board's Executive Committee meetings held during the last twelve months

6

ABILITY (5 POINTS)

D.11. If this is an application for new funding, please describe the steps your organization will take to establish an action plan for successful program launch, including appropriate stakeholder training and coordination. Articulate a clear methodology for service delivery within the context of established goals and include a timeline of key action items and approximate dates for delivery.

This project is currently operational; continued funding will ensure uninterrupted services.

D.12. Describe your organizations' past success with flexibly responding to unforeseen events, which had the potential to negatively impact deliverables. What were best practices learned, if any? How would you successfully use these practices with the proposed program, if necessary?

The United Way of Forsyth County has been a community leader in responding to the greatest human service needs in our community for nearly 100 years. Prior to the pandemic we have been members of Communities Organizing Against Disaster (COAD), were active in helping coordinated services to the community during Hurricane Florence and provided support to the State Emergency Shelter that was stationed in Forsyth County.

The pandemic was a unique disaster response. Our office was quickly able to adapt to remote work, in particular, most members of the Housing Matters team were already equipped with mobile technology to allow them to bring services to people experiencing homelessness. Within the first week of the pandemic declaration UWFC began the CoC daily check in call (now a weekly call), provided coordination and support to the congregate shelters in reorganizing and retooling their facilities in order to keep people safe. In addition we worked intimately with the County Public Health Department to develop an isolation shelter and with the City of Winston-Salem, City with Dwellings and the Bethesda Center for the Homeless to develop and implement a shelter for people who were medically fragile, and supported the street outreach teams in accessing supplies to support encampments, we also supported the coordination of access to personal protective equipment for staff and program participants.

D.13. How does your program's policies/procedures ensure fair treatment, equitable access, and utilization of benefits for all persons, particularly marginalized and underserved groups and communities (i.e., marketing, outreach, eligibility determination and appeals)?

In addition to our fair housing policy, UWFC has non-discrimination policies, and over the last few years our Board and now staff have begun the process of evaluating and implementing strategies to provide services with a racial equity lens.

E. Cost Effectiveness

Case Id: 14283

Name: United Way FRRC City ESG - 2022/23

allocations, designations and administrative fees

E.2. Has the City of Winston-Salem provided funding in the past? If so, provide a funding history of the most recent five years of City contributions in the table below.

Year	Funding Source	Funding Amount
2020	City ESG	\$86,800.00
2019	City ESG	\$75,159.00
2018	City ESG	\$71,903.00
2017	City ESG	\$72,587.00
2016	City ESG	\$70,103.00

E.3. Complete the table below to show specific details of proposed City funding and other leveraged funding for the proposed project/program. List each additional funding source for the program.

Activity	Funding Requested from City	Funds from Other Sources	Other Funds Source
Landlord Engagement Specialist/Housing Navigator	\$30,000.00	\$130,000.00	CoC, State ESG, UWFC, Private, SSVF
	\$30,000.00	\$130,000.00	

E.4. For each activity and line item above, please provide a short but detailed description of how City resources will be used to carry out proposed programming.

The Landlord Engagement Specialist/Housing Navigator works with all Case Managers in the Forsyth Rapid Re-Housing Collaborative to identify available units and the criteria for rental. She shares this list weekly with Case Managers to help with client housing searches. The TFA is used to support the client's move to and stabilization in permanent housing. The Director of Housing Services oversees inspections, housing navigation services, and TFA disbursement. The Director of FRRRC provides training, guidance, support, TFA management to all of the FRRRC case managers.

E.5. Where another stakeholder or agency is providing non-monetary assistance with a particular aspect of your programming, please provide a short description of those activities and how they will supplement the use of City funds.

FRRRC is a collaborative program. UWFC provides management of the Temporary Financial Assistance for the program, as well as housing navigations and inspections. In addition, UWFC provides training, support and technical assistance to ensure, that across all agencies, clients are able to receive the best and consistent services and that all FRRRC staff have training, support, and guidance consistent with the CoC's FRRRC policies. Experiment in Self Reliance, Bethesda Center for the Homeless, Family Services, and Positive Wellness Alliance all provide case management services that

support clients in moving into housing and addressing those changes necessary to help them achieve housing stability.

E.6. If this year's request is different in any way (amount, activities, etc.) from a prior year's request, explain how and why. If you are a new applicant, please describe how you would adjust your project/program if your funding request is not funded at the full amount.

While we are aware we are likely to get relatively flat funding from year to year, we are asking for \$100,000 which would allow us to maximize the amount of temporary financial assistance and households we can provide assistance to moving out of homelessness. We use ESG funds to cover Application Fees, Security Deposits, Utility Deposits, moving costs and utilities. The more funds we have for TFA the more households we can assist.

SUSTAINABILITY (7 POINTS)

E.7. Describe the plan to sustain the project/program funding in future years. Include information about other funding sources to leverage City funds requested.

UWFC is dedicated to fulfilling its commitment to being the backbone organization for the CoC, providing system coordination and fiscal management of charitable funds other than the Federal HUD grants. It is anticipated all current funding specifically for this work, including City funding, will continue to support the work of the CoC strategic plan including the operation of the HUD requirement for the Community Intake Center which is the CoC's coordinated entry program.

UWFC expects all current funding for the CIC will continue indefinitely. UWFC also understands it may not continue and any reduction in the current Federal/State/Local commitment to funding of the CIC would result in a reduction of services. As these programs grow, additional needs for funds are anticipated. UWFC, in partnership with the CoC, will be assessing the best strategy for meeting the full financial needs of these programs.

BARRIERS (3 POINTS)

E.8. Describe any potential programmatic barriers to project implementation (e.g. recruitment or outreach challenges, etc.) and your plans for overcoming them.

We do not anticipate barriers to implementation, however, unless the City and County as a whole begin to address the affordable housing crisis which is brewing in our community we will not be able to obtain our performance targets and the clients we serve are being squeezed out of the rental markets.

E.9. Describe any institutional barriers to project implementation (e.g. staff vacancies, pending departures, etc.) and your plans for overcoming them.

We do not anticipate any barriers.

AVERAGE COST (5 POINTS)

E.10. Use the table below to show the average amount of City funds requested per beneficiary to be served during the year and the average total cost of the service per beneficiary to be served during the year (including all funding sources)

Proposed funds from the City for this project:	100,000
Number proposed to be served for the year:	400
Average City funds per beneficiary:	250
Proposed funds from all sources:	1,400,000
Number proposed to be served for the year:	400
Average total funds per beneficiary:	3,500

G. Income Based Projects/Services Only

** Complete this section only if you are requesting funds for a Community Development project (for CDBG, HOME and/or ESG funding).**

If the section is not applicable to your project, please leave the questions blank and mark the step "Complete."

G.1. In the right-hand column below, indicate the number of participants to be served by the proposed project/program within each income category during the year. Click [here](#) to see Winston-Salem income limits by household size.

Income Range	# to be served
0 to 30% of median	80
31% to 50% of median	20
51% to 80% of median	0
Greater than 80% of median	0

G.2. Describe policies, procedures, and criteria for determining who is eligible. Describe the procedures for screening, eligibility determination, intake, assessment and orientation of participants

All UWFC programs, that support projects such as CIC and FRRRC for which specific eligibility must be determined, staff engage in an interview with applicants following either the CIC intake/assessment form or the FRRRC intake assessment form. These assessments gather direct information related to eligibility determinations. To verify homelessness, CIC staff help collect critical information including copies of identifying information, verification of homelessness from HMIS and request documentation from non-HMIS providers outside of our CoC for dates served. For Disability documentation, CIC staff help participant request verification from medical professional to be provided with referral to supportive housing program. For income verification, CIC staff request proof of income documentation from applicants.

FRRRC staff rely primarily on the certification of eligibility provided by the case manager assigned to clients. UWFC staff's role in FRRRC is focused on housing navigation, support and training for CMs and management of TFA. Prior to disbursement of any funds, case managers certify they have all required eligibility documentation in the client file. The FRRRC Director performs spot checks of files to ensure documentation is maintained.

Please NOTE: Numbers in section G1 represent percentages of clients.

H. Construction/Rehab Only
