B. Project Overview

Please provide the following information.

APPROACH (7 POINTS)

B.1. Provide a concise description of the proposed project/program, indicating specifically how City funds will be used. Briefly, what are the goals/objectives of the project/program?

This project provides funds to support a winter overflow shelter for people experiencing homelessness during the four months of the year when the weather is most inhospitable to people sleeping outside - between December 1 to March 31.

As the fiscal agent for the CoC, United Way of Forsyth County (UWFC) manages this project. The CoC has selected City with Dwellings (CwD) to run the winter overflow shelter for adults. The primary goal of this project is to make sure every person seeking shelter in the winter is provided with a hot meal and a safe, warm place to sleep.

B.2. How will a participant access the proposed project/program, use the services, and derive a beneficial outcome from participation?

In typical years, participants will come to 520 N. Spring Street to check-in, then they will be provided transportation to the church where they will be sleeping that night. CwD staff and volunteers will make sure guests are connected to the Community Intake Center for assessment for supportive housing and connection to other mainstream resources which will help resolve their homelessness. However, due to the COVID-19 pandemic, many churches are unable to provide space for shelter and CwD had to change its method of providing shelter and develop a new strategy. This year, based on surveys of the street populations they will have two 20 bed shelters open in churches, and one white flag site for individuals who are otherwise street homeless on nights when the temperature is expected to fall below 32 degrees or below 38 if there is precipitation.

B.3. Describe the unmet need that the proposed project/program seeks to address. Include data supporting the need.

During the winter months of December through March, the weather is often inhospitable to people who are sleeping outside or in other places not meant for human habitation. During this period of time, the community often sees a spike in the number of people requesting emergency shelter over the capacity of the year-round shelter programs.

Based on outreach surveys of the homeless population, while there are approximately 250 people sleeping outside only about 40 have indicated they would come into a shelter on a recurrent basis. Others have indicated they prefer to stay in their encampment or a few may come into a white flag site.

This is the first year in decades where we have had a substantial number of families identified by street outreach who are sleeping unsheltered. UWFC in partnership with the City of Winston Salem is operating an emergency placement strategy for families.

COLLABORATION (6 POINTS)

B.4. Describe any specific collaborative relationships with other organizations (public or private) and how they will impact the project/program. How will collaboration contribute to the planning, implementation, operation, oversight, and performance measurement of the proposed project/program?

The Winter Overflow is a collaboration between UWFC, CwD, and local faith communities who host and staff the overflow shelters. The partnerships built by CwD provide oversight and CwD works with the WSFC CoC which provides additional oversight to the project. During this winter, with COVID-19, these partners will be supporting both the church-based program and the white flag site.

CwD also collaborates with the year-round shelters to ensure their beds are all full before moving people into overflow and to identify shelter options for people they can not serve, such as families with minor children.

C. Strategy and Performance

Please provide the following information.

STRATEGY (5 POINTS)

C.1. The City of Winston-Salem's strategic priorities, adopted most recently in the [2017-2021 Strategic Plan \(2019 Update\)](#) and under review for adoption by City Council for FY 2022 - FY 2025 Strategic Plan, are used as guiding principles to establish community priorities based on the vision, mission, and values set forward by the Mayor and City Council.

Indicate which of the City's strategic focus areas your program aligns with best (select one):

Safe and Secure Community

C.2. Select the service area(s) that your project/program relates to:

- Housing/Homelessness
- Economic Development
- Construction Rehabilitation
- Poverty Reduction
- Arts and Culture
- Youth
- Public Safety
- Transportation
- Other

PERFORMANCE (15 POINTS)

C.3. Describe the system to be used to track participant and program data. List any key reports and their frequency that will be used to capture project/program performance.

We use the North Carolina HMIS database to track data and information on the success of our programs across the CoC. In addition, we work with staff from agencies across the CoC to individually track key data which will help them evaluate their effectiveness in helping people get housed.

We use a number of reports to monitor the progress of our work including:

Annual Reports:

LSA - Required by HUD for the CoC to submit annually; report is created from data in the NC HMIS system and is being

revised to be more detailed and population-specific

APR - Required by HUD for all CoC-funded programs; report is created from data in the NC HMIS system

PIT Count - UWFC organizes a street count that is paired with a one-night census from all of the emergency and transitional shelters in Forsyth County to create a snapshot of homelessness in the community. The January Count, which is required by HUD, is the official count data that we use.

Monthly Reports:

Data Quality - On a monthly basis all staff connected to rapid re-housing or coordinated assessment services review their data quality report to ensure the data is complete and correct in the HMIS system

By Name List (BNL) - The Community Intake Center (CIC) uses a BNL of people experiencing chronic or otherwise highly vulnerable homelessness. This list is reviewed monthly to assess the number of chronically homeless people in our community, the number of homeless veterans, and housing placements. It is also used on a daily basis by the CIC.

Quarterly Reports:

Quarterly Performance Report for State ESG funded programs

Other Reports:

Discharge Destination

Length of State & Recidivism Demographics Report

C.4. Explain the steps that will be taken if the stated program goals provided in C.3. are not achieved.

The goal of the winter overflow is to provide a warm place to sleep for all people experiencing literal homelessness during winter months. If the demand for shelter exceeds the capacity of CwD to shelter them, the CoC will work with CwD to divert people from the overflow shelter to other housing opportunities such as temporarily staying with friends/family or for those with income staying in a hotel/motel.

C.5. Use the chart below to show how your agency measures program effectiveness. List goals, activities, and performance measures you will use to evaluate services, facilities, and programs that will be funded by the City. Performance measures can be quantitative and/or narrative.

Applicants will be reimbursed funds based upon timely submissions of eligible invoices. These invoices should describe services rendered and should align with the goals and objectives cited here. Where outcomes do not align with goals, please be prepared to provide a written summary of shortcomings.

C.6. FY 20-21 Program Accomplishments

For the FY 20-21 overflow season, City with Dwellings had contact with 136 unique individuals. Of these, 45 were provided shelter in the white flag center, 51 were transitioned to the CV funded hotel winter shelter, 38 were offered diversion to the year-round shelters, and 2 were diverted to family/friends or other resources within their natural support system.

C.7. FY 22-23 Key Objectives

The objective of the winter shelter response is to provide extra capacity to address the overflow needs during dangerous inclement weather.

D. Organizational Capacity

Please provide the following information.

MISSION (5 POINTS)

D.1. Provide an overview of the organization. Include the organization's mission statement and the major services, programs, and activities provided. How does the proposed project/program help advance the mission of your organization?

United Way of Forsyth County (UWFC) brings the community and its resources together to solve problems that no one organization can address alone.

The major projects of UWFC are:

- Community investments in the areas of Economic Mobility and Socioeconomic Wellbeing
- Housing Matters—coordination and backbone support to the WSFC CoC
- The Forsyth Promise—cradle to career education network
- Place Matters—strategic investment in 13 neighborhoods to help develop thriving neighborhoods
- Partnership for Prosperity—community-based initiative to address poverty in Forsyth County

UWFC's community investments support programs across Forsyth County that serve citizens of our community with a wide range of human services. Investments in each area are driven by a set of community goals and outcomes which are developed by Impact Councils staffed by experts in each area from across the community and members of our partner agencies.

While there are many agencies and programs in our community addressing the needs of people who are homeless, UWFC's support of the work of the Housing Matters Initiative demonstrates the power of organizing and coordinating services to leverage the power of many organizations working together to solve seemingly unsolvable problems, such as homelessness. Since UWFC began work with the WSFC CoC, chronic homelessness has decreased over 90%.

FUNCTION (5 POINTS)

D.2. How long has your organization been in operation?

98 years

D.3. How does your organization benefit and serve the City of Winston-Salem and its citizens?

For 98 years, United Way of Forsyth County (UWFC) and its precursor organization the United Fund have served the Forsyth County community by leveraging resources to meet the human service needs of residents of Forsyth County.

UWFC benefits and serves the residents of Forsyth County in multiple ways. Through our investments and the leveraging of those investments through key partnerships, UWFC helps to improve the lives of residents in the areas of Economic Mobility and Socioeconomic Wellbeing. In addition, UWFC is a leader in our community in addressing human service needs with data-informed decision making, which allows us to focus every dollar of our investments on

its highest and best use for achieving real, lasting change in our community.

The programs we are requesting funds for from the City specifically address the needs of individuals and families in our community who experience homelessness by providing backbone support and leadership to the Winston-Salem/Forsyth County Continuum of Care (WSFC CoC) and supporting the work of our CoC to support Forsyth County's efforts to be a housing first community, ending chronic homelessness, and working to develop a system of care so any resident of our community who becomes homeless can be re-housed in under 30 days.

The Housing First System places the emphasis of ending homelessness on moving people as quickly as possible into permanent housing and then wrapping key support services around them. Since UWFC began supporting the WSFC CoC implementation of the Ten Year Plan to End Chronic Homelessness our community has seen over a 90% decrease in chronic homelessness and achieved the milestone of "ending veteran homelessness," as recognized by HUD and the US Inter-agency Council on Homelessness.

STRUCTURE (5 POINTS)

D.4. In the chart below, list key personnel and executive staff involved in the proposed project/program.

Position Title	Activities/Inputs	Total Work Hours Per Week	% of hours proposed to be funded
Shelter Monitor	Provides overnight monitoring of overflow shelters, including overseeing client safety. 4 monitors, at two shelters from December 1 to March 31.	160	100.00 %

D.5. List all executive staff and their compensation (other than per diem).

D.7. Please complete the Diversity of Employment and the Employment Profile below. See the [Request for Proposals \(RFP\)](#) for definitions of position types used in the Employment Profile.

Describe the hiring process and how it is structured to provide the most diverse candidate pool. Best practices for accessing a diverse hiring process and candidate pool include:

UWFC advertises open positions on our own website, the WS Journal, The Chronicle, NC Center for Nonprofits and Indeed, which reach a broad audience of job seekers. Applicants are screened by HR staff to assess minimum

qualifications are met. All applications from candidates meeting minimum qualifications are reviewed by the hiring director, and top candidates are selected for interviews. Interview teams are selected to represent the program or department hiring. Once a top candidate(s) is selected the HR staff review references and the director will make a formal offer.

ABILITY (5 POINTS)

D.11. If this is an application for new funding, please describe the steps your organization will take to establish an action plan for successful program launch, including appropriate stakeholder training and coordination. Articulate a clear methodology for service delivery within the context of established goals and include a timeline of key action items and approximate dates for delivery.

This project is already operational. This funding will allow the project to continue without interruption.

D.12. Describe your organizations' past success with flexibly responding to unforeseen events, which had the potential to negatively impact deliverables. What were best practices learned, if any? How would you successfully use these practices with the proposed program, if necessary?

Last year the CoC had to adapt the overflow plan because the restrictions related to the pandemic prohibited the operation of the prior model of winter overflow strategies. The UWFC staff worked with leadership at City with Dwellings and Forsyth County to identify a site (County Behavioral Health Auditorium) and open a white flag site that was only open on nights below 30 F or 38F with precipitation. The UWFC staff was instrumental in coordinating the shift in focus from a nightly shelter to an emergency weather shelter that complied with restrictions related to the pandemic.

D.13. How does your program's policies/procedures ensure fair treatment, equitable access, and utilization of benefits for all persons, particularly marginalized and underserved groups and communities (i.e., marketing, outreach, eligibility determination and appeals)?

In addition to our fair housing policy, UWFC has non-discrimination policies, and over the last few years our Board and now staff have begun the process of evaluating and implementing strategies to provide services with a racial equity lens.

E.2. Has the City of Winston-Salem provided funding in the past? If so, provide a funding history of the most recent five years of City contributions in the table below.

Year	Funding Source	Funding Amount
2020	ESG	\$11,500.00
2019	ESG	\$11,500.00
2018	ESG	\$11,500.00
2017	ESG	\$11,500.00
2016	ESG	\$11,500.00

E.3. Complete the table below to show specific details of proposed City funding and other leveraged funding for the proposed project/program. List each additional funding source for the program.

Activity	Funding Requested from City	Funds from Other Sources	Other Funds Source
shelter monitors	\$11,500.00	\$0.00	
	\$11,500.00	\$0.00	

E.4. For each activity and line item above, please provide a short but detailed description of how City resources will be used to carry out proposed programming.

The City resources are used to cover staffing or operational costs for the winter overflow strategy for the CoC. UWFC manages these funds for the CoC and subcontracts with the agency the CoC selects to operate the seasonal shelter plan; currently this partner is City with Dwellings (CwD).

E.5. Where another stakeholder or agency is providing non-monetary assistance with a particular aspect of your programming, please provide a short description of those activities and how they will supplement the use of City funds.

CwD partners with several local faith communities to provide support, staffing, meals, comfort and hygiene products for the seasonal shelter guests.

E.6. If this year's request is different in any way (amount, activities, etc.) from a prior year's request, explain how and why. If you are a new applicant, please describe how you would adjust your project/program if your funding request is not funded at the full amount.

na

SUSTAINABILITY (7 POINTS)

E.7. Describe the plan to sustain the project/program funding in future years. Include information about other

funding sources to leverage City funds requested.

Both UWFC and CwD anticipate all current funding will remain committed to the overflow. If there are funding losses CwD and UWFC will work with the CoC and the Mayor's office to identify sources of funds to help cover the shortfall.

BARRIERS (3 POINTS)

E.8. Describe any potential programmatic barriers to project implementation (e.g. recruitment or outreach challenges, etc.) and your plans for overcoming them.

We do not anticipate barriers to implementation.

E.9. Describe any institutional barriers to project implementation (e.g. staff vacancies, pending departures, etc.) and your plans for overcoming them.

We do not anticipate barriers to implementation.

AVERAGE COST (5 POINTS)

E.10. Use the table below to show the average amount of City funds requested per beneficiary to be served during the year and the average total cost of the service per beneficiary to be served during the year (including all funding sources)

Proposed funds from the City for this project:	11,500
