B. Project Overview

Please provide the following information.

APPROACH (7 POINTS)

B.1. Provide a concise description of the proposed project/program, indicating specifically how City funds will be used. Briefly, what are the goals/objectives of the project/program?

NABVETS Chapter #0057 has successfully been in operation since December 02, 2008. NABVETS is a local recognized and National Organization that is authorized by the Secretary of Veterans Affairs in the preparation and prosecution of claims under laws administered by the Department of Veterans Affairs. NABVETS is under the prosecution of claims for VA benefits (38 U.S.C 5902). We have 4 certified volunteer VSO Counselors on the Winston-Salem NABVETS Chapter Staff, which will provide strategic advocacy on behalf of its membership and veterans being served with Congress, the Federal Administration, State Administration and other local agencies and organizations. NABVETS has twelve years of management of VSO counselors and volunteers and successfully implementing and administering the proposed project and program regarding veterans claims, veteran homelessness, benefits, coordinating, and linking veterans ongoing to other local entities and programs that provide for their needs. We continue to maintain operational functioning by providing ongoing services to veterans regarding their claims to the Veterans Administration and receiving updated training from the Regional Federal Veterans Affairs Office. NABVETS maintains successful partnerships and collaborations with local community entities, mental health agencies, Urban league, Good will industries, and other veteran organizations, and the Regional Veteran Affairs Office.

B.2. How will a participant access the proposed project/program, use the services, and derive a beneficial outcome from participation?

NABVETS tracks the constituents/veterans through the sign sheets and files sent by the Federal Veterans Administration, due to COVID-19 we only take referral appointments at this time. Veterans access us through email, phone and referrals from other agencies and people/veterans in the community. NABVETS provides programs that assist veterans with completion and processing of their claims. NABVETS operates a non-profit organization which helps to enhance the quality of life and increase employability of veterans through coordination, collaboration, and facilitation with Urban League, Good Will Industries and other local entities and the Regional Veterans Administration Office. NABVETS will still be able to continue to write veterans service claims because we are a nationally certified organization approved through the Veterans Administration to process and advocate claims for veterans. We have three certified veterans service officers which would continue to sustain this program.

B.3. Describe the unmet need that the proposed project/program seeks to address. Include data supporting the need.

Where applicable, applicants will be reimbursed funds based upon timely submissions of eligible invoices. These invoices should describe services rendered and should align with the goals and objectives cited here. Where outcomes do not align with goals, please be prepared to provide a written summary of shortcomings. If applicable and serving individual clients over a period of time.

COLLABORATION (6 POINTS)

B.4. Describe any specific collaborative relationships with other organizations (public or private) and how they will impact the project/program. How will collaboration contribute to the planning, implementation, operation, oversight, and performance measurement of the proposed project/program?

NABVETS will continue to employ our various seminars which will continue to maintain the connection and bridging the educational gap regarding reaching our local veterans and what benefits and programs that are available to them. Also, NABVETS which is primarily a Veterans Claims Organization will continue to provide the processing of Veterans claims ongoing in order to help our indigent veterans obtain their benefits and upgrades. Our approach with continuous collaborations, partnerships, and facilitations of programs that help connect our homeless veterans and other veterans that we provide services to with other local community entities, local mental health organizations, Urban League, Goodwill industries, other veteran organizations, and the veteran affairs office. This is how NABVETS will innovatively continue to approach helping our local veterans with their ongoing needs in multiple areas.
