INSTRUCTIONS FOR CITY OF WINSTON-SALEM INSURANCE AGREEMENTS

- (1) The City may general contract with four types of legal entities.
 - a. If the agreement is with an Individual, that individual should sign the agreement exactly as his/her name is set out. If the agreement is with an individually-owned business, the Contract should be signed by the individual owner doing business as the business name. The individual's signature must be notarized.
 - b. Execution on behalf of a Corporation should be by the president or a vice president and attested by the corporate secretary, with the corporate seal affixed. An official other than the president or vice president should attach documentation of his/her authority to execute and bind the company.
 - c. If the agreement is with a Partnership, all members of the Partnership should execute unless an authorized partner is designated to execute. Documentation of the authorization should be attached. The Partner's signature must be notarized.
 - d. If the agreement is with a Limited Liability Company (LLC), have the LLC provide a copy of the Articles of Organization and Operating Agreement or other documentation that indicates that the person to sign the contract has the authority to bind the LLC. Generally, the Articles of Organization will state if the LLC is a member managed or manager managed and will state the name of the person who has the authority to bind the LLC. The Manger's signature should be attested to by the LLC Secretary.
- (2) The instrument should be dated by the last person executing the Contract, normally the City Clerk.
- (3) Two originals of the contract are sent to the other party. The originals should be executed and returned to the City for execution, after which one original will be returned to the other party.
- (4) If the City is making some payment pursuant to this contract and the contract amount is for less than \$5,000, it may be signed on behalf of the City by a Department Head. If the contract amount is over \$5,000 and less than \$20,000, it may be signed on behalf of the City by an Assistant City Manager. If the contract amount is more than \$20,000 and less than \$100,000, it may be signed on behalf of the City by the City Manager. The signature line for the City should be changed accordingly. In either case, the signature should be attested to by the City Secretary.
- (5) If the City is making some payment pursuant to this contract, the contract **MUST** be pre-audited by the Budget Department and approved by the City Attorney's Office.
- (6) Please be sure to review the insurance provisions with the other party. Our standard policy limits may not be applicable to the Event and City staff will consider a reduction, if requested. If alcohol or inflatables, such as bounce houses, are involved, the insurance limits are not likely to be reduced.

Please direct all questions to the respective assistant city attorney for the department utilizing this contract or to Risk Management.
