person of the deceased on August 10, 1984.

On August 10, 1984, a reliable confidential witness observed the victim with Darrell Eugene Hunt at approximately 0625 or 0630. He observed them near where I found Ms. Sykes car in the 600 block of West End Boulevard.

The witness identified both Hunt and Sykes from photographic lineups. His identifications were made on August 10, 1984. He is a long time citizen of this community with no criminal history.

It is necessary for me to protect the witness identity because I fear for his life and safety as Mr. Hunt has previously been arrested for violent acts.

The applicant swears to the following facts to establish probable cause for the issuance of a search warrant: I am J. I. Daulton, Detective of the Winston-Salem Police Department. On August 10, 1984, the body of Deborah Sykes was found. The deceased had been stabbed repeatedly. Time of death has been placed at between 6:30 and 7:00 A.M. The autopsy results indicate that the wounds were created by a knife with a blade no more than five inches long. On August 10, 1984, a citizen told me that he was in the 00 block of West End Boulevard where I found Ms. Sykes car parked. This citizen told me that at approximately 6:25 A.M. on August 10, 1984 that he saw Ms. Sykes in the area where she was killed and that he saw Darrell Eugene Hunt holding Mrs. Sykes around the head and neck in an assaultive manner. This citizen has identified Hunt from a lineup as being the person he saw on August 10, 1984. He described Hunt as being dressed on August 10, 1984 in dark pants and a black shirt with a spider design on it.

Barrell Eugene Hunt was arrested on July 2, 1984 and gave his address as 760 Patterson Avenue, Apartment 27. On September 11, 1984 I met with Hunt at 760 C Patterson Avenue and he told me that he was staying there with Sammy Mitchell in Apartment 27.

This citizen informant has expressed a desire to help law enforcement as a matter of civic duty in this matter, but fears for his safety if his identity becomes known at this time. This person is not a paid informant and has not, to the best of my knowledge, ever given false information to any officer. He is a long-time member of this community, is gainfully employed, and has no criminal record. I further believe him to be telling the truth because on the afternoon of August 10, 1984 when he first described for me the events which he witnessed, he identified a photo of Mrs. Sykes as the woman whom he had seen being assaulted. This identification was made prior to the publication of any photos of Mrs. Sykes by the media.
